

# STILL CLEANING EQUIPMENT THIS WAY?

## OR THIS WAY?

## OR ARE YOU LOOKING TO STEP UP TO THE HUBSCRUB WAY?

Purchasing an automated cleaning and disinfection system may be your first time or your looking to step up to the **HUBSCRUB** way. In either case it only makes sense if the system does the job, used often and replaces labor costs with labor savings. If a system cannot achieve the number one purpose, then any system is questionable for purchase.
