LIFETIME SUPPORT “c”  
IN-SERVICE TRAINING “d”

#### **“a” - 1 YEAR 100% PARTS WARRANTY**

All parts that are not subject to operator mis-handling, mis-used or where operating instructions were not followed resulting in damage to the part are warranted for one year.

#### **“b” – 1 YEAR 100% LABOR WARRANTY**

Any part that requires labor to repair or replace a part during the first year of purchase is warranted 100%. This excludes any part that was mis-handled or mis-used or where operating instructions were not followed resulting in damage to the part..

#### **“c” - LIFETIME SUPPORT**

As long as the original owner uses HUBSCRUB, we will provide support at no charge to assist the user with trouble shooting, identifying the problem, guiding how to fix the problem through supporting documentation, pictures, telephone or email correspondence.

#### **“d” - IN-SERVICE TRAINING**

If in-depth training is requested for maintenance, repair or operations, we will provide a resource at your facility for only our travel and lodging costs.
